SECRETARY LOEB DENIES
ANY CONNECTION WITH THE
CHARGES MADE IN SUIT.
MISS WOOD WILL NOT STATE
Particulars In Regard to It, But
Makes Some Significant
Remarks.

HAS NEVER SEEN MR. LOEB

Glenwood Springs, Col., April 30.—"Why, I never saw the woman in my life, nor do I want to see her," said William Loeb, Jr., secretary to the President, when he was shown a dispatch concerning the suit filed in Omaha by Miss Mae Wood, asking \$35,000 jointly of Mr. Loeb, former Postmaster General Wynne and J. Martin Miller, a Newark, N. J., newspaper man, who was recently appointed to

position the consular service.

Read the Story Carefully.

When the morning papers arrived giving a detailed account of the filing of the damage suit, Mr. Loeb read the story carefully, and remarked:

"It is just as I thought. I will have to get a bill of particulars to tell how I am connected with the case."

Mr. Loeb said to-day:

"The only knowledge I have of Miss Wood is in relation to her position in the Post-office Department, and the notoriety she brought to herself just prior to the marriage of Senator Platt of New York. She called up the White House and asked if she could see me. Assistant Secretary Barnes talked with her, and as her business did not seem

to be important I declined to see her.
"That is all I know personally of the
woman. I am at a loss to see where
she gets my name into the action for
damages."

DECLINES TO STATE REASONS

**But Miss Wood Makes Some Signifi-
cant Remarks.**

Oman, Neb., April 30.—Miss Edna Wood, who yesterday filed a damage suit for \$35,000 against Secretary William Loeb, Robert J. Wynne and J. Martin Miller, this evening talked to a representative of the Associated Press of the events which led up to the filing of the suit. She was asked in what particular Secretary Loeb was connected with the matter. She declined to an-

Says Loeb Should Always Use Telegraph.

"Secretary Loeb should always use the telegraph or a courier. It is remarkable that he knows so little of this."

he does not know how I happened to know what he knows of it. Really, I think I shall have to refrain from going into details until I shall tell it in court."

She said she had not the slightest idea what any of the defendants would do, or whether they would accept of

however, that if Secretary Loeb avoided service, she would have the suit transferred to the United States courts.

Has Never Seen Mr. Loeb.

She admitted that she had never seen Mr. Loeb, and that she knew of no reason why he should take part in the

New York affair, but still refused to say in what manner she would connect him with it. Miss Wood recited over again the allegations contained in her petition filed in the District Court. To J. Martin Miller she gave the credit of instigating the intimidation and other acts named in her charges. She spoke in detail of the alleged relations with Senator Platt, and closed the interview.
